**Young Donors Making a Difference in Our Community**

Tikkun olam is a Jewish phrase which means "repair of the world," a concept to which Congregation Beth Emek is deeply committed. The evidence shines through in the young people they are teaching in the Beth Emek 3rd Grade Religious School Class. The students are given the task of choosing a charity they want to support. "They typically like to give their money to medical or animal welfare causes," says their teacher, Robin Wood. They decided this time they would help local coronavirus efforts and directed a gift to ValleyCare Charitable

Foundation, to support our Hospital's COVID-19 response, thus helping repair a part of their world. To read our story about the Beth Emek 3rd Grade Religious School Class, click [here](#).
