35th and Final Golf Tournament Honoring Larry Melim a Big Success!

On May 20, the Charitable Foundation hosted its 35th and Final Golf Tournament, honoring Larry Melim. Golfers, guests, and volunteers from the Tri-Valley and

across the country gathered at Castlewood Country Club in Pleasanton to help raise funds for Stanford Health Care – ValleyCare’s Emergency Department while celebrating Larry’s many contributions to our local Hospital, our community, the Charitable Foundation, and the golf tournament. Thanks to the generosity of our sponsors, golfers, underwriters, and in-kind donors, this year’s tournament grossed over \$180,000, one of the highest-grossing events in its 35-year history. Proceeds from previous tournaments have funded the purchase of lifesaving equipment, updates and upgrades to the Emergency Department, the addition of a second triage area, and much more! We would like to thank all of the employees, volunteers, and community members who’ve helped in the planning and execution of our annual golf tournament over the past 35 years. Special shout-out to Larry Melim for being one of the founders of the tournament and serving as a tournament committee member for 35 years.
