Walnut Grove 5th Graders Donate to SHC -- VC NICU in Honor of Their Teacher

Maia DeLaat's 5th Grade class at Walnut Grove Elementary School in Pleasanton recently collected clothing, baby accessories, and a financial donation for premature babies in Stanford Health Care -- ValleyCare's Neonatal Intensive Care Unit (NICU). They were inspired by Mrs. DeLaat's personal experience late last year -- she gave birth to twins who had to spend about 7 weeks in a NICU themselves. The kids wanted to honor their teacher, while keeping their donation in their community.
